WARRANTIES AND REPRESENTATIONS BY THE BREEDER

The BREEDER warrants and represents the following:

The puppy is being sold as a working Livestock Guardian Dog, with the appropriate early socialization and training. The puppy is of breeding potential and is a good example of the Maremma Sheepdog breed, both in temperament and conformation. Prancing Pony Farm guarantees that the puppy is in good health at time of purchase and up to date on vaccinations, deworming and other routine health care. The puppy is microchipped with lifetime enrollment in the Petlink Pet Recovery System. The BREEDER will furnish BUYER with the puppy's immunization record and microchip information.

The BUYER shall have the puppy/dog examined by a licensed veterinarian within 72 hours of purchase, except that if the last day falls on a Saturday or Sunday, the Buyer has until the end of the following Monday to have the LGD examined. (Hereinafter referred to as "the Examination Period"). The full purchase price shall be refunded if Prancing Pony Farm is supplied with a written opinion of a veterinarian no later than 7 days after the end of the Examination Period describing any health problem found within the Examination Period that would render this puppy unfit as a LGD. The BUYER will be responsible for returning the puppy to the BREEDER. If the BUYER wishes to keep the puppy there shall be no refund of the purchase price and the BREEDER shall not be responsible for any veterinary bills or expenses in relation to the puppy. This guarantee does not cover accidents, injuries or illnesses that happen after the puppy leaves Prancing Pony Farm.

The BUYER agrees to maintain the puppy at all times in good health with regular veterinary checkups, and will secure such vaccinations, deworming, grooming and veterinary care as recommended.

TWO YEAR HEALTH GUARANTEE

A. Any of the physical/medical faults below qualify for a refund of the cost of the puppy or a replacement puppy, at the BREEDER'S discretion: -Hereditary genetic "severe" Hip Dysplasia or "Grade 3" Elbow Dysplasia as verified by OFA or PennHip. All OFA/PennHip claims are to be made in writing with proper documentation from OFA or PennHip before the puppy is 24 months of age. -Any hereditary eye problem as determined by a Board Certified Ophthalmologist. All claims for eyes are to be made before the puppy is 24 months of age and must be documented by a CERF report. -Any other hereditary or congenital defect or disease, except for umbilical hernias, as documented by a Licensed Veterinarian and verified by a second Veterinarian of the Breeder's choice. If the Breeder has an examination by a veterinarian of her choice and that veterinarian disagrees with the Buyer's veterinarian, then the parties shall mutually agree on a third veterinarian whose findings shall be final and the cost of whom shall be split evenly between the parties.

-All claims for other hereditary or congenital defects or disease must be made by the time the puppy is 12 months of age.

-Any other hereditary or congenital defect or disease that would physically prevent the puppy from performing as a livestock guardian dog or that is severe enough to require that the puppy to be euthanized as documented by a Licensed Veterinarian and verified by a second Veterinarian of the Breeder's choice; All claims for other hereditary or congenital defects or disease must be made by the time the puppy is 12 months of age.

It also does not include any illness due to the ingestion of foreign objects, food, chemicals or physical injury.

B. Buyer will receive a refund or replacement puppy from a future Prancing Pony Farm litter once Breeder has received a copy of the health reports/certificates and the original puppy's spay/neuter veterinary documentation or euthanasia report.

-There is no guarantee as to when the next litter will be available. All health checks/certificates must be completed by the age(s) stipulated in this contract or this Guarantee is invalid. This guarantee applies only to the original Buyer.

C. If the Breeder refunds the purchase price of an affected LGD (or provides a replacement puppy)

payment is conditioned on the Buyer returning the LGD to the Breeder. On receipt, the Breeder will then return the full purchase price. If the Buyer wishes to keep the affected LGD, there shall be no refund of the purchase price, and the Breeder shall not be responsible for any veterinary bills for services or medications to treat the health problem or hereditary or congenital disease.

D. The entire Health Guarantee shall be null and void under the following conditions:
