

## Goat Reservation Form

If you are interested in any of the goats we have available now or in the future then please go ahead and fill out this questionnaire. Please answer the questions below to the best of your ability. This is not a test and there are no wrong answers. This is simply a tool to give us the info we need to match the perfect goats for you!

Once we've received your questionnaire we will contact you to answer any further questions you may have and let you know what, if anything, we have available. Then if you wish you may reserve your new goats with a non-refundable \$100 per goat deposit, payable by a PayPal invoice which we will send to your email address.

**How did you find us? \***

---

**Which breed(s) of goats are you interested in? (We only breed dairy goats.) Choose all that apply. \***

- Nigerian Dwarfs
- Mini Nubians

**Which gender of goats are you interested in? Check all that apply. \***

- Wethers (castrated males, make great pets)
- Does (pets, milking, 4H/FFA, breeding)
- Bucks (stinky boys - only good for breeding!)

**For what purpose do you want goats? Choose all that apply. \***

- Pets
- Milking
- Breeding
- Showing
- 4H/FFA Project (usually need to be does)
- Companion for horses or other animals
- Therapy animal

**Do you have children or grandchildren? (Children and goats go together like PB&J!) This question is not required but we love to know about prospective buyers' families!**

- This question is not required but we love to know about prospective buyers' families!
- children
  - grandchildren
  - younger siblings
  - other family/friends
  - neither

**Feel free to describe anything in particular you're looking for, such as color, specific traits, conformation or genetics, etc. This is not required but will help us to know what you want!**

---

**Do you currently have goats or have you had goats in the past? (It's ok if you're new to goats, we just want to know how to best help you!) \***

- Yes I have currently goats.
- No, I do not currently have goats but I have had them in the past.
- I don't have goats and have never had them. This is a new adventure for me!

**If you currently own goats please describe the types, genders, ages and approximately how many you have. If you don't currently own goats but have owned them in the past please briefly describe your experience with them. Put N/A if neither applies to you. \***

**Will the goats be kept on your property or elsewhere? \***

- My property
- Somewhere else

**If not on your property then where? \***

**Are you allowed to have goats where you live? (Or where you plan to keep them?) We suggest you check with your zoning laws and/or landlord BEFORE making a deposit. Deposits are non-refundable! \***

- yes
- no

**Do you have an outdoor fenced area and adequate shelter for goats? (A dog house or calf hutch is usually sufficient for shelter.) Or do you plan to set this up before you bring them home. Goats are farm animals, can't be housebroken do NOT make suitable house pets. \***

- yes
- no
- working on it

**If you live in an area with predators what is your plan for keeping you goats safe? (Neighborhood dogs can be predators so hopefully you have a plan!) Check all that apply. \***

- A secure fence (minimum but not enough)
- Locked in a barn at night
- A Livestock Guardian Dog (Best option)
- I'm sleeping with the goats every night!
- Other
- No idea

**If you answered "Other" what is your plan?**

**Have you researched goat care, what they eat, illnesses they're prone to, etc? (Goats are different from a lot of animals so you should do your research before you bring them home so things go smoothly.) \***

- Yes
- No
- No but I will before I pick up my goats

**Do you know that goats eat primarily hay and loose goat minerals? (They don't need grain unless they're being milked and male goats in particular should not be fed**

grain because of the risk of Urinary Calculi.) \*

- Yes I knew that.
- No I didn't know that!

**Do you have a veterinarian that treats goats in your area? Goats are susceptible to certain illnesses that they can die from if not treated promptly and properly and not all veterinarians treat goats. You don't want to wait until your goats are sick to find this out! \***

- Yes, I already have a goat vet I use.
- I don't have a goat vet but I know of one in my area that I can use.
- No I do not have a goat vet but I'm looking for one.
- No, I haven't got a goat vet and haven't even thought about it.

**Did you know that we have lots of goat care articles and links to products that are great for goats on our website?**

- Yes I've seen them.
- No, I didn't know that!

**Do you acknowledge that all deposits are non-refundable, but may be transferred to the next available season if we do not have an available animal to fill your deposit? \***

- Yes

**Do you understand that deposits are breed and gender specific, but that we can't guarantee choices based on color, eye color, generations, specific pairings, etc? \***

- Yes

**Do you understand that we are located in Lemoore, California, which is in Central California, and that buyers are responsible for all transportation costs and arrangements for goats purchased from us? \***

- Yes

**Do you think goats are one of the most amazing creatures on earth and are you ready to start a great new adventure, or add to your wonderful herd!?**

**Please feel free to add any comments that you think we should know and that will help us find the perfect goats for you!**

## Visitor Waiver

I understand that farms can be dangerous places and that the behavior and actions of any animal can be unpredictable and that by interacting with animals and spending time on a farm personal injury or property damage may occur. Being aware of the risks that may be involved, I indemnify and hold harmless Prancing Pony Farm and/or their volunteers, officers and employees for any and all personal injury or property damage resulting from my participation. \*
